Choose a Performance Advantage package that suits your business

Package One

EMPLOYMENT RELIEF

Ideal for micro businesses to give them a solid foundation for the employment of staff.

Provides businesses with tools to securely and independently take on the recruitment process successfully. From job-conception to probation!

Package Two

ADVICE LINE

Super cost effective package for business managers.

Advice line to provide advice and access to guidance, information, strategies and regular topical updates via telephone and email.

Package Three

SUCCESS PLATFORM

Ideal for small businesses with a small team of employees and gets everyone on the same page.

HR policies, job descriptions, employee handbooks and employment contracts. Provides company induction and clarity of expectations.

Package Four

PLUG IN HR SERVICES

Suitable for businesses with 10 or more staff.

Regular, planned, human resource consultancy service scaled to employee numbers. On-site and personalised service from Suzanne and her team!

Package Five

SAFE HANDS HR SERVICES

Ideal for businesses 15+ for additional support in staff performance & development.

A range of HR services including performance management, supervisor mentoring, OH&S, management plans, employee assistance, outplacement, training & cultural development programs.

“Suzanne’s knowledge & experience gives us the confidence to move forward with business decisions & ensured effective management of our most important asset - our staff. ”
